ONLY 3-4 MONTHS FOR COMPLETION!

The complex is located in the center of Chloraki, just 4 minutes drive from the center of Paphos and the beach. The international school and shopping center are 7 minutes drive and only 5 minutes to the new marina. Quiet and peaceful residential area with sea and mountain views.

This modern house is on 2 levels; upon entering the ground floor you will find a spacious open plan living dining and kitchen area. The kitchen is separated from the dining room by a Breakfast Bar. There has been great attention paid to detail here and all fixtures and fittings are of very good quality. There is a stone feature wall in the living room and this gives the room a great deal of character. The living room opens out of a good size balcony which leads to the back garden. There is also a Guest WC located on this level as well as a small storage room which is located under the stairs.

On the second floor there are three double bedrooms with fitted wardrobes; the master bedroom has en-suite facilities and sliding doors open onto a balcony. From here you have access to a staircase which leads up to the roof garden. Here you will enjoy beautiful views of the nearby villages and the coastline. The two remaining bedrooms share a family bathroom.
