Description

Prime Residential Plot in Pegeia – A Prestigious Development Opportunity

Located in one of the most sought-after areas of Pafos, this exceptional residential plot in Pegeia offers a unique investment opportunity. Spanning 2,170 sq.m., the plot boasts a 90% build density and 50% coverage, allowing for a substantial and well-designed development.

Situated in a peaceful and scenic location, the plot enjoys breathtaking sea views and benefits from direct access to a registered road. It comes with approved architectural plans for the construction of eight luxurious maisonettes (3 & 4 bedrooms) and one stunning villa. The project is fully prepared to receive building permits, making it an ideal choice for investors or developers looking to start construction immediately.

Don't miss this rare opportunity to develop a premium residential project in the most rapidly growing area of Pafos.
