Description

Welcome to an exclusive new residential development featuring just 14 thoughtfully designed 1- and 2-bedroom apartments, set in a peaceful, green neighborhood in Aradippou, Larnaka. Surrounded by parks and within easy reach of the city’s main attractions, this project is ideal for those who value quality, comfort, and convenience.

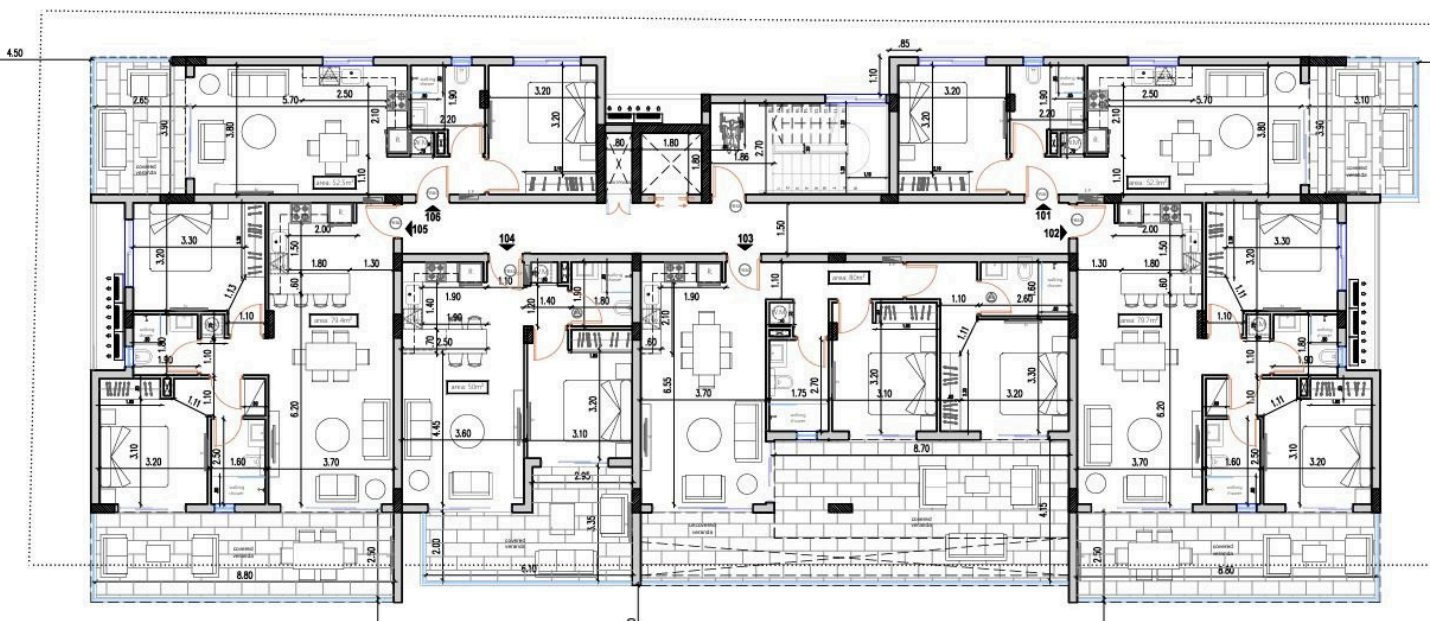

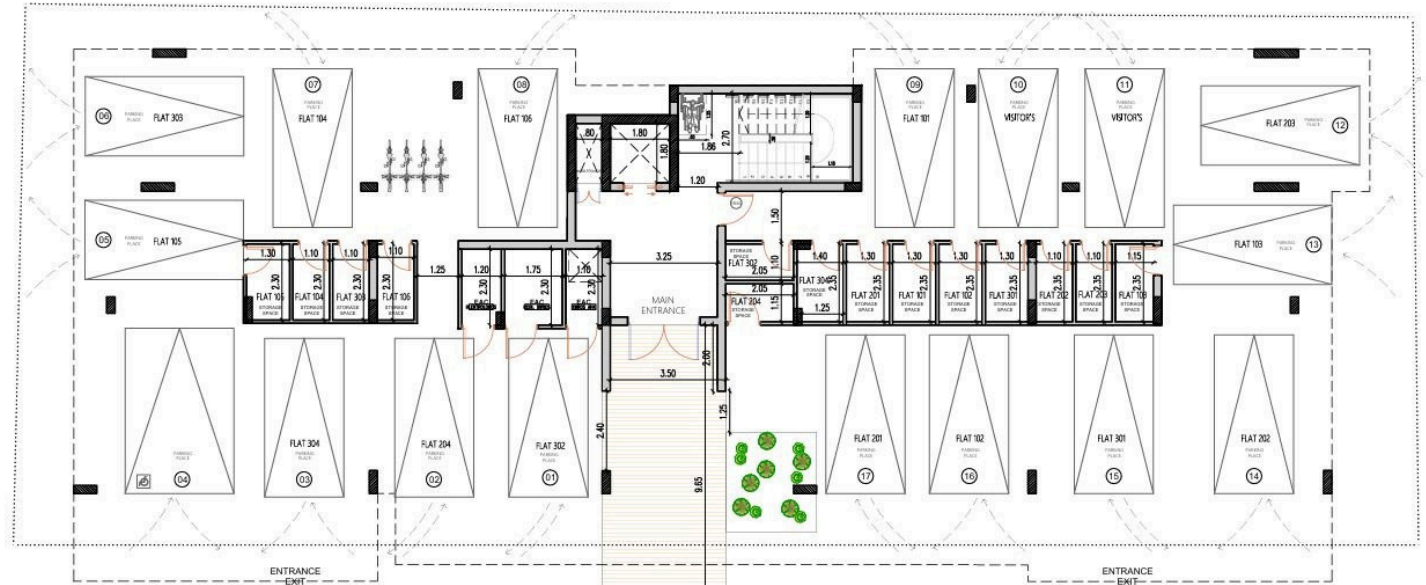

Each apartment is crafted with a modern open-plan layout, premium finishes, and expansive verandas with glass railings. Penthouse units feature private roof gardens, offering the perfect setting for relaxation or entertaining with scenic views.

This project is being developed with future-forward sustainability in mind and is expected to be completed in Q1 2028. Homes will carry an Energy Efficiency A certificate, and include double-glazed thermal aluminum windows and doors, granite kitchen countertops, ensuite walk-in showers, and marble-finished communal staircases. Residents will also enjoy a video intercom system, covered parking, private storage rooms, and provisions for electric car chargers and air conditioning.

Located just minutes from Metropolis Mall, and close to supermarkets, restaurants, schools, and essential services, the development also offers easy access to the Nicosia and Limassol highways. Enjoy proximity to the Larnaka city center, only 5 km from the beach, and just 11.8 km from Larnaka International Airport—an ideal setting for both homeowners and investors.
