Description

For sale is a spacious building plot measuring 686 m² in the thriving area of Skala. Building density 140%. This substantial plot is perfect for a valuable investment property.

Skala is well-known for its welcoming atmosphere and vibrant lifestyle. Here, you can enjoy easy access to local shops, cozy cafes, and convenient services. The area blends traditional charm with modern living, making it a popular spot for families and professionals alike.

One of the plot's best features is its impressive city view, offering a beautiful urban landscape that can be enjoyed from the comfort of your future home. The location also provides good road connections, making travel around the city simple and stress-free.

This is a rare opportunity to secure a large plot in a sought-after neighborhood. For more information or to arrange a viewing, please contact Lextrus Real Estate, your trusted partner in finding the perfect property.
