## Description

Presenting an exceptional investment opportunity: two connected residential plots totaling 630 square meters, situated in the prestigious Agias Triadas district of Limassol Municipality. Positioned just 200 meters from the coastline and within walking distance to Molos Promenade, Limassol Marina, the Castle, and the vibrant commercial streets of Gladstonos and Anexartisias, this location offers unparalleled access to the city's most desirable amenities.

- Includes a 120 sq. meter listed building eligible for significant government grants and financial incentives, including rental income tax exemptions

This distinguished property presents a rare opportunity to develop a premium residential project in one of Limassol's most sought-after districts. The blend of strategic location, development capacity, and fiscal advantages makes it a compelling proposition for investors and developers focused on high-end residential construction.

Planning and building permits are available upon request. Additional architectural drawings and documentation can be provided upon inquiry.

VAT 19% for Residential Land NOT included in the price. The plot with the listed building is excluded from VAT. In case of unification of the 2 plots, VAT maybe exempt.
