Description

3 Bedroom House in Krasa Area, Aradippou, Larnaca (2538)

@EUR 440.000 +VAT

The two elegant and contemporary houses are designed to insure comfort and functionality, with three bedrooms each.

The project fulfills the energy efficiency requirements, provides high quality materials and meet the highest construction standards.

These houses are located in the tranquil suburban area known as Krasas in the District of Larnaca. The project has been designed according to the highest construction standards combining the contemporary architecture with functionality.

The Krasas area provides all the necessary amenities within close range such as schools, supermarkets, sport centers, the mall as well as medical facilities which make the project the ideal choice of residence.

Additionally, the location is approximately on eight minute drive from the International Airport of Larnaca, the new Metropolis Mall as well as the town center, the beaches of Finikoudes and the Mackenzie area.

Internal House area : 178 sqm / house
