### Description:

Seize this rare opportunity to invest in two exceptional residential plots located in the highly desirable Agios Theodoros area of Paphos. Spanning a total of 1,223 square meters (Plot 1: 650 m<sup>2</sup> and Plot 2: 573 m<sup>2</sup>), these plots are perfectly suited for a premium residential development.

**Zoning & Development Potential:** Under the Paphos Local Plan's Kα7 zoning category, these plots offer a generous building density of 80% and a coverage ratio of 45%. This allows for the construction of up to three floors with a maximum height of 13.5 meters, making it an ideal investment for a residential project.

**Prime Features:** One of the plots is a corner lot, providing an exceptional location with ample frontage and unobstructed surroundings. The regular shape and level alignment with the public road enhance its suitability for construction, offering flexibility and ease in design.

**Excellent Accessibility:** The plots benefit from registered road access, ensuring seamless connectivity and high visibility. Their strategic location provides easy access to essential amenities, main roads, and the vibrant local community, making them perfect for families and individuals looking for a tranquil yet conveniently connected lifestyle.
