Built-in 2022, the Resort is the meeting point of tradition and modern design. The buildings and surroundings of the Villas are those of a traditional and modern Cypriot village: paved alleyways, stone fountain, Private swimming pools, as well as areas of gardens with local flowers and trees.

It has underground car access and parking for the Frontline villas (VIP – Tunnel – for underground driving to their villas), isolating the project from traffic congestion and noise. The underground access links to each of the private villas, electronic garage entrance door accommodates the owners with direct access to their residence from their own private basement and parking area. The modern architectural design reflects the sea waves and colors of the surrounding environment. The large, wide, glass doors allow enjoyment of the stunning views, seen from the villa location.

Located at Cape Greco, between Ayia Napa and Protaras with turquoise blue waters; the coastal setting is
