Situated on Kings Avenue in the very heart of Kato Paphos, development is a remarkable new project consisting of two five-storey buildings housing luxurious residential apartments. The architecture is a modern take on a fusion of concrete, wood, marble, bronzed aluminium and a lovely green facade carefully crafted to both complement and contrast with its surroundings.

The sumptuous, contemporary apartments have been designed without compromise and built with the utmost attention to detail. Most boast outdoor space, some on a spectacular scale, and many offer breathtaking views over the lighthouse and the Mediterranean Sea.
