Description

Elegant 4 Bedroom Hilltop Villa with Panoramic Views in Parissinos, Nicosia (8705)

PRICE 1.590.000

A large delightful house set on 1212 square meters of plot, situated in a quiet and most-exclusive area of Nicosia. Up on a hill at Parissinos, it offers some remarkable scenery and panoramic views of Nicosia. It was built in 1994 and has been well maintained through renovations ever since. It is set on two floors plus basement, and covers over 450 square meters.

The first floor comprises reception area, dining room, living room, spacious functional kitchen, guest WC, second WC, a fire-place and two spiral staircases leading to the upper floor and mezzanine home-office, and to the basement.

The upper floor comprises spacious master bedroom with en-suit facilities, three well sized bedrooms with build-in wardrobes, bathroom, as well as an extra office area on the mezzanine level.

The basement comprises about 40 square meter storage area, and extra room with provision for WC, which can be used in the development of a maid's room.

The garden area expands on both sides of the house, offering excellent landscape, space for the development (optional) of a large sized swimming pool, and both covered and open-air verandas. Additional facilities include an auxiliary external room with WC and shower (optional for maid's room) and a barbeque.
