Description

For sale residential land in Pervolia Village in Larnaca (8785)

PRICE 1.300.000

This large 21,798 m² plot is located in the serene village of Pervolia, Larnaca, offering an excellent investment opportunity for residential development. Zoned primarily as H3 (97%) with a small portion in Z1 (3%), it is ideal for division into 24 building plots. With a building density of 35% and coverage of 60%, the land allows for the construction of up to two floors with a maximum height of 8.3 meters.

The plot benefits from a registered road with frontage on one side and is just 1.4 km from the sea, 800 m from public transport, and 7.4 km from Larnaca International Airport. Its prime location offers easy access to main roads, schools, and nearby resorts, making it a highly desirable project for residential development.
